

Cyber Security

Thursday 11th December 2025, 6pm – 7.30pm

On-line training session using Zoom

**Delivered by Martyn Boyle, Security & Incident
Response Manager, Cloudy IT**

Join us for a focused cyber security awareness session designed for council officers and members. This training cuts through the noise and gives you practical skills you can use immediately:

- **how to protect your accounts with stronger habits,**
- **recognise phishing emails before you click,**
- **spot the signs of malicious websites,**
- **keep your devices safe at work and at home,**
- **and handle council data with confidence.**

The session uses clear examples, keeping the guidance relevant and easy to put into practice. It's an ideal introduction for anyone who wants to strengthen their everyday security and reduce the risk of data breaches or operational disruption.

On-line booking form [here](#) Cost: £30 per member delegate
